

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
TAXICAB COMMISSION**

OFFICE OF THE CHAIRMAN

The DC Taxicab Commission recognizes the efforts of our Hack Inspectors who worked a voluntary overtime detail during the Presidential Inauguration. The mission of the two 12-hour shifts was to ensure the orderly dispatch of taxis from Shared Rides venues, deter taxis from picking up improper street hails and to impound taxis and sedans operating illegally. Their visibility helped to maintain a smooth transportation process around RFK Stadium and the Washington Convention Center. They had a major impact on the activity of illegal vehicles by issuing 132 Notices of Infractions and impounded 26 vehicles.

Special acknowledgement of exemplary service is offered to the following:

Lead Inspector Timothy Evans
Lead Inspector Carl Martin
Inspector Calvin Bears
Inspector Andraea Benson
Inspector James Conrad
Inspector Marques Hudgins
Inspector James Lane
Inspector Thomas Lea

I want to personally thank and commend these Hack Inspectors for their service. It is this type of effort that makes the entire organization proud. We are confident that you will continue to do your job well.

Ron M. Linton, Chairman
